The book cover features a dark, atmospheric illustration. At the top, a large, ornate golden key hangs vertically, its head positioned near a circular emblem with radiating lines. Below the key, a long, narrow path of light leads from a glowing horizon towards the viewer, flanked by dark, jagged, rock-like formations. A small, glowing symbol is visible on the path. The overall color palette is dominated by deep blues, blacks, and warm golden yellows from the light source.
